New York State Public Service Commission  
Empire State Plaza, Agency Building 3  
Albany, NY 12223-1350

***Re: Case No. 16-F-0268: Application of Atlantic Wind LLC for a Certificate of Environmental Compatibility and Public Need to Construct up to a 100- Megawatt Wind-Powered Electric Generating Facility in the Towns of Parishville and Hopkinton, St. Lawrence County, New York***

Dear Secretary Burgess:

We represent Atlantic Wind LLC in the above referenced proceeding. Pursuant to this letter, on behalf of Atlantic Wind, we are writing to notify the Siting Board and the Secretary that Atlantic Wind is no longer seeking a Certificate of Environmental Compatibility and Public Need from the New York State Board on Electric Generation Siting and the Environment pursuant to Article 10 of the Public Service Law for the North Ridge Wind Project.

Atlantic Wind previously deposited with the Board a \$35,000.00 filing fee as required by PSL 164(4) accompanying the Preliminary Scoping Statement that was filed in this proceeding. Please contact this office if there are any remaining funds to be returned to Atlantic Wind.

We appreciate the Secretary and Siting Board's assistance during the pre-application phase of this proceeding. Feel free to let us know if you have any questions.

Respectfully submitted,

  
James A. Muscato II
